FOCUS OF THE PLG

Open to 12 Elementary Teachers in the In-Service Region with intermediate to advanced technology skills who are committed to using technology in the classroom and have a desire to take technology integration to a higher level.

Discover techniques and best practices of effective technology integration.

Create technology lesson plans and projects that can be used in the classroom.

Technology topics include tablets (iPad & Android), apps, interactive whiteboards, blended learning, PBL strategies, and web-based tools.

Observe and discuss technology lessons taught in actual classrooms.
