National Board Maintenance of Certificate Candidate Support Schedule

2022-2023

National Board Maintenance of Certification: NBCT Certificate Renewal
August 25, 2022; 5:00-7:30 PM
(PowerSchool Section # 435624)
Maintenance of Certification (MOC) is designed to recognize that National Board Certified Teachers (NBCTs) are continually growing professionally and maintaining a positive impact on student learning. This session will provide information about this new pathway for NBCTs to keep their National Board Certification active.

Fall Writing Retreat
November 16, 2022; 8:30 AM-3:00 PM
(PowerSchool Section # 435553)
Candidates will work on their analysis of evidence and written commentary for Components 3 and/or 4. Full-day substitute reimbursement will be paid for each participant. Appointment times will be scheduled with CSPs. The Writing Retreat will take place at the UA/UWA Regional Inservice Center.

Maintenance of Certificate Webinar with Best-Selling Author, Bobbie Faulkner
November 29, 2022; 5:00-7:30 PM
**This session will be facilitated by best-selling author, Bobbie Faulkner**
(PowerSchool Section # 435626)
Using her newest book, Navigating Certification, Ms. Faulkner will share strategies for navigating The National Board's Maintenance of Certification (MOC) process. The process is intended to make continued certification engaging and professionally meaningful for NBCTs. Through MOC you will share your professional growth through a reflection process designed by and for teachers, reflect on your impact on student learning, & maintain your NBCT title, even if you retire. Maintaining also allows you to continue NBCT salary stipends (if applicable), pursue leadership opportunities, and in many states, maintain your state licensure.
